

**Forestry - FORS (BSFRC)**

This is a recommended program of study for students planning to transfer to the College of Natural Resources and Environment to earn a Bachelor of Science in Forest Resources and Environment Conservation, Major - Forestry (FORS). There are tracks under this major: Forest Resource Management, Forest Operations and Business, and Urban Forestry. For specific requirements in the major see the graduation requirements [on the official checksheet](#). Students planning to transfer to the College of Natural Resources and Environment are encouraged to work closely with the Advising Center (540-231-5482, [cnre\\_students@vt.edu](mailto:cnre_students@vt.edu)) from the beginning of their community college experience to ensure timely completion of their Bachelor's degree.

Students are encouraged to transfer from the community college to Virginia Tech after completing one year if they plan to complete the Bachelor of Science requirements in four years. Those who take additional courses at a community college should contact the College of Natural Resources and Environment for specific recommendations.

Recommended VCCS Courses	VT Credits 1st. Sem	VT Credits 2nd. Sem	Virginia Tech Course Application	Pathways
BIO 101, BIO 102	4	4	BIOL 1105+1115, BIOL 1106+1116	4
ENG 111, ENG 112	3	3	ENGL 1105, ENGL 1106	1f
ECO 201, ECO 202	3	3	ECON 2006, ECON 2005	3
MTH 261, MTH 262 <sup>1</sup>	3	3	MATH 1025, MATH 1026	5
<b>Forest Resource Management Track</b>				
CHM 111	4		CHEM 1035+1045
