See Foreign Language Requirement

Notes: MGT options: MCA (Management Consulting and Analytics), EIT (Entrepreneurship, Innovation, and Technology), MHR (Human Resource Management) Students who earn a transferable A.S. degree may have general education requirements waived. Not sure if there is other “common” language the Registrar wants to use here? Some junior-level business courses at VT require math, accounting, economics, and business information technology courses and/or junior standing (60 hours). A maximum of 63 credit hours can be transferred from two-year institutions (for BSBUS degrees).
