Footnotes

¹ Spanish courses as appropriate depending on high school Spanish background, or Pathways courses as needed. The VT equivalents to SPAN 101, 102, 201 or 202 at the VCCS cannot be used to fulfill the Spanish major requirements of 33 hours at the 3000-level and above which must be completed at Virginia Tech. However, if a student takes SPAN 101, 102, 201 or 202 and wishes to transfer those courses, the credit will be counted towards the free electives for the overall degree program.

² See VCCS General Education Requirements: Pathways Core Concepts.

³ See VCCS Transferable courses at VCCS and Richard Bland Transferable Courses.

Students who have not completed two units of a single foreign language in high school **MUST** earn six semester hours of college-level foreign or classical language credit (ex: 1105-1106 or 1114). These six hours are in addition to the 120 hours required for graduation.

Please be in contact with the CLAHS contact listed in the Transfer Guide if you have questions about the Pathways Core Concepts and VCCS courses that can be used to fulfill them.

As a major in Spanish, you will have completed the foreign language requirement at Virginia Tech.
