

Fish Conservation - FISC (BSFWC)

This is a recommended program of study for students planning to transfer to the College of Natural Resources and Environment to earn a Bachelor of Science in Fish and Wildlife Conservation, Major - Fish Conservation (FISC). For specific requirements in the major call 540-231-5482 and see Graduation Requirements (Checksheets)

at <u>https://registrar.vt.edu/graduation-multi-brief/index1.html</u>. Students planning to transfer to the College of Natural Resources and Environment are encouraged to work closely with the Advising Center (540-231-5482, <u>cnre_students@vt.edu</u>) from the beginning of their community college experience to ensure timely completion of their bachelor's degree.

Students are encouraged to transfer from the community college to Virginia Tech after completing one year if they plan to complete the Bachelor of Science requirements in four years. Those who plan to take additional courses at a community college should contact the College of Natural Resources and Environment for specific recommendations.
