**Footnotes**

<sup>1</sup> Residential Environments and Design students can expect to take 5 semesters to complete this major once they have transferred to Virginia Tech, because of the sequence of required courses, provided the above plan of study is completed.

<sup>2</sup> See VCCS General Education Requirements: Pathways Core Concepts.

<sup>3</sup> A minimum of 12 credits of controlled electives are required for the RED major. These are the controlled electives which have VCCS equivalents. You are not required to take these. Refer to a RED checksheet to see the list of controlled electives to determine if you want to take any of these controlled electives through the VCCS.
